“ Myron you will always be my sweet and beautiful sister. I remember our talks on the phone and how you always wanted me to sing to you and how you made me laugh. Your voice was always so sweet and kind. I remember when you came to visit me in Alabama and we laughed till we cried. I will always remember you that way. I know your angel now and looking down on me. I know your at peace and happy with Johnny, Christine, Phyllis and Mama. I love you.
