“ I remember Nathan from when were little and rode the bus together. He was kind and quiet. And always friendly towards me. We may not have been close or hung out outside of school...but he's left an impression on my child heart and he's sweet smile and kind heart will be something I'll always remember. I am praying for strength and peace to all those he left behind. I'm so sorry. This is a tragedy and deep loss.

“ *Forever in my heart. You were and always will be one of my dearest friends. I miss you already 😞 you were always who I turned to bc I knew you'd never judge me, you always told me how it was even if it's not what I wanted to hear, you were always looking out for others and never spared my feelings bc the truth mattered more. I will never have another friendship like ours. My heart aches for your family and everyone who loves you.*
