“ *Nellie was my favorite teammate when we worked side by side together at the now defunct "Kay Winsdor" plant in the old Washington DC Building. I lovingly nicknamed her "bird" because she reminded me of a sparrow that was chirpy and vivacious. A beautiful earthly presence is no longer on earth, but a beautiful spirit remains in our fondest memories. Nellie had a sweet spirit and was a humble soul, always tempered with wisdom followed by genuine laughter.RIP" Nellie Bird" old friend.*
