“ *I've known Marie my whole life. Her mother, Lela, and my grandmother, Ollie, were sisters. We were also connected through marriage, she married Johnny, a brother to RT, who was married to my sister, Carlene. It wasn't until I began working on my family tree that I learned we shared the same first name "Nina". I don't know that I was named after her but it would make me proud to have been. Rest in peace....*

“ *My Grandmother always had a hot meal ready no matter how early you got up, or how late you came in from the field. Her biscuits and molasses are etched into my soul. She loved one thing...taking care of her family. Our home will never be full without you. I love you. May peace be your companion.*

*Truly,*
