“ *Joan was like a second Mom to me growing up growing up and my Mother's first and best friend in Tennessee. I have so many fond memories with Jennifer and her Mom. Brownies, church, Opryland and even Joan picking us up broke down on side of road. She will be missed so so very much. Sincerely Amber Walker Driver*

“ *Joan came to visit me when we moved to Hwy 100 back in 1971. She brought Jeanne the cutest baby bonnet (just a newborn at the time). All these years later, Jeanne's daughter and her family moved just next door to Joan and Milton just after their baby was born, coincidence, who knows, but Joan is one of the kindest souls I have ever known and her family and friends meant everything to her. The kindest neighbor you will ever have. She will be missed by so many many people. I feel blessed to have called her friend. Rest n peace sweet lady.....*

“ *To All of Joan's Family---We are deeply sorrow for your loss. No one will ever forget her beautiful smile, her ability to always greet you with such a warm conversation you could tell came from her heart felt feelings for you and also all of her family--all those grandchildren and great grand children she was so proud of. We know you will miss her because she was a good, friendly person to talk to, and no one will be able to take her place. We pray that God will comfort all of you, and always cherish the memories she gave to all of you. In Christian Love,*

“ One of the sweetest women I knew. She and I would chat outside the school while she picked up her grand-children years ago. She seemed to always go way and beyond for people, and as I recall I don't remember anyone ever saying a negative thing concerning her. It was a pleasure knowing her. 💜🙏💜
