“ I am so saddened by this..I am sending all my love and prayers to her husband Kenny and her kids. Wish I had gotten to know you more, but, I know Summer is the image of you and she is one of the best daughter in laws and Mother any mother in law can ask for. I want to thank you for raising her in your image. I know how it feels to loss someone so close to you at this age. It is not easy. People say it gets easier with time>it's not true, but it gets more tolerable to deal with. The pain never goes away> you just have to remember they are looking over you everyday>live and love your life as if they are still here.. Summer, I love you sweetie.. and I know your strong. Sending my prayers to you and your family for the strength to make it through these hard times. Love you Big Much>>

“ I did not know Norma personally but she is in my family Tree by virtue of her sister Patricia being married to a first cousin of mine. I wish to send my condolences to Patricia and her entire family in the loss of her dear sister. I cannot be at the visitation or funeral; but will be praying for the entire family during this very sad time. Anne Archer
