“ I haven't seen Pam since April because of Covid. Wayne and I were so sad to hear of her passing. She loved her son and family so much and was always showing me pics of the grandkids. Rest In Peace Pam and may God bless Steve and her family Barbara Butner

“ Pam was truly something else! I've known Pam for about 5 years but had the chance to work closely with her the last two. She would always get on to me about eating things that weren't sugar free due to my diabetes. So much to the point that she bought sugar free peppermints and candy to sit on her desk for me. She would always argue with me and out needing to eat it instead of the ice cream I already had.... she will truly be missed at Aergo especially by the fresenius team. My deepest sympathy to the family.

“ Pam and I became friends through my parents, Mike and Shirley McClearn. She and Steve celebrated many happy birthdays, Thanksgiving dinners, and other holidays with us. Often Pam made her famous blackberry cobbler for us, when we were lucky!

*Pam was like family to me, always helping with anything she could. We shared tons of laughs and jokes, and she will be missed terribly but never forgotten. Thinking of Steve and sending our sincere condolences to her family.*

“ Hi my name is Derek Owen. Pam will be missed at Aergo / Citadel. I would like to send her family my condolences. I use to bring Pam my peppermints left over from Christmas :) only to come back to her desk to get one when I would have a stopped up nose. We would speak of how sorry Tennessee football was and shake our heads! She spoke much of her husband and son as well as her sister! I never missed the deer chili she brought to work either! Most of all she was my friend too! I'm sorry for y'all's lose! May Yahweh be with you all.
