“ My MOTHER, the most admired and loved woman i'm proud to say she is my MOTHER. She taught me to be the person i am today, i have so many memories of her when i was younger, so many things she taught me to hand down to my children. Our talks everyday for years that i'll never forget, and will always be embedded in my mind and the love for her in my heart and the way she loved all her children, grand children, great and great great grand children.
