“ Patsy was such a wonderful Christian. She will be missed by many but her family has lost someone that held them together; that loved them unconditionally; that gave life everything she had to offer. May God be with her family.

“ Mrs Rivers was such a wonderful lady and a fantastic teacher. She cared so much about her students and had a great impact on me as a student at HCHS in her Principals of Technology and Pysics classes. My sincere condolences go out to her family during this difficult time.

“ Mrs. Patsy was always a good hearted person! When I worked with the school system she always made me feel welcomed and always had a good word for everyone. She will be missed.

“ *Mrs. Rivers was a vital influence on me as a student and as an individual. She always had a way of making you see the potential in yourself and she saw to it that you knew it. I distinctly recall my senior year of high school like it was yesterday. I had enrolled in physics, the first year it was offered. After 2 weeks I got cold feet and feared I would fail if I stayed in that class so I elected to drop it. When Mrs. Rivers got wind of it she came to me with tears in her eyes and she sat with me for nearly an hour after school convincing me to stay with it, and I did. I NEVER regretted nor forgot that moment. I will forever cherish her dedication and passion she had for her job and her students. I would not have pursued and received my doctorate if it had not been for her. I will miss you Mrs. Rivers.*
