“ *He was one of the strongest men I knew. It simply amazed me as Andy and Michelle would tell me all he would do in a day! He lived his life to the fullness of all God gave him. I am so thankful that he was not only a grandpa, but a friend and a prayer warrior over our grandchildren. This family is shaped in love and respect one for another because he taught them how to love and honor God. Thank you, God, for his wonderful life and all that came from his seed. We are forever grateful.*
