“ George and Pauline Spohr came to the Only Community when we lived in Only several decades ago. They were great neighbors and greater friends and we shared many community events together before we moved from Only. Pauline was most talented at crocheting and we have a beautiful 4 ft. X 8ft. crocheted beige tablecloth that she crocheted and gave to us for our antique cherry dining table. It has been a lasting memento to us of her kindness and with her passing takes on even a greater appreciation. Tom & Carole Covington
