“ My thoughts and prayers are with the family.. we lost a beautiful soul, but gained a guardian angel.

“ Where do I even begin, there are so many different memories from our family gatherings to our phone conversations, we even made some really great memories & laughed til my stomach was hurting during these last few months, anything with you was never a dull moment, you was full of life & didn't care what anyone thought about you or had to say, you are going to be greatly missed. You was a one in a million aunt & I love you so much ❤️ Rest Easy 🙏
