

Peggy Margaret Josef

June 5, 1947 - November 17, 2016

Its with great sadness and sorrow in announcing the passing of Peggy Margaret Josef with her battle with cancer. She is the bride of 11.5 years to Bob Josef, and died in her sleep at home on Thursday Nov. 17th at roughly 3:15am. Her Husband Bob was at her side when she took her last breath. Official death time will be later due to time it takes the Hospice Personnel to arrive at home. Peggy is no longer in pain and she is now in heaven. She was a real trooper, never thought of her cancer as a disease, but only an inconvenience. She loved her animals especially the cats, all eight (8) of them. She was such a giving person and never asked for anything in return. She loved to travel, see Plays, and was involved in several Fund Raiser for people and animals. She will be missed by me very, very much.

Mr Josef would like to thank all of you for keeping them in your prayers. She died very peacefully and she was wearing a Proverbs 12:10 Animal Rescue Shirt. How fitting was that!

Memorials may be made to Proverbs 12:10 animal rescue in Peggy Myres Josef name or to the PAT SUMMIT Foundation in Peggy's name.

“Peggy was indeed one of the kindest most selfless people I have ever met. She always had a smile on her face. The devotion she & Bob shared was amazing. I will miss her so much.

Bob, my prayers for you. You were truly blessed to have Peggy in your life.
