“ There are a lot of memories of this special lady the one that stands out the most is when I was a little girl and staying with them for a school year and had a bad nightmare. All I remember is waking up screaming and shaking and Aunt Peggy just took me in her arms and rocked me wasn't used to that yet in that moment I had never felt more safe and protected or loved. Took me a while to figure out why that was and it was wow this is what Mom's do! She was always there for anyone even if was just to listen maybe some advice however she could help. You will be forever loved and missed. Love and prayers to my family for you're loss

“ I will miss seeing Peggy every Sunday at Fish Camp with her family. She and I worked together many, many years ago at National Life. Sweet lady.

“ Sending Prayers for all of Mrs. Peggy's friends and family. She was a sweet lady that I had the pleasure to go to Church with many years ago. May God comfort you all during this difficult time!
