“ This guy is so awesome that he Volunteered to be my date to junior  
prom so I didn't have to go by myself. So he put on this navy blue  
suit and if you know him that is not what he would wear lol. But he  
took me and he stood for the prom pictures which I wore a  
watermelon color and it looked nice. But he really did me a solid and  
I have never forgot it. That was Mickey when he wasn't under a car.
