“ Rachel, I remember you vividly on the playground at Centerville Elementary. Always a peace-keeper like your precious Moma. My heart goes out to your entire family. My sweet little girl, Rest in Peace . Everyone who came in contact with YOU usually got the warm fuzzies

“ *What a beautiful blessing Rachel was to everyone she came in contact with, I watched this beautiful girl grow up into a young woman, mother, daughter, wife, friend, and this is what I loved about her you never had to wonder what Rachel was thinking, because she always let you know, she was straight up, now you may not like it or you may disagree but she either liked you or she didn't but she was true to her heart and she will be greatly missed! Loved her big ol heart! God Bless Olivia and Tami and Shane and all of her family and friends, I lift you up in comforting Prayers!*

“ Rachel was an amazing horsewoman and person. I missed her so much when she moved back to Tennessee. I'm shocked and saddened by this news. I'll never forget when I asked her how we (a bunch of Hunter/jumper students) looked in her Western program at Rock Creek. I loved her response, "You all look like a bunch of English riders trying to ride Western." It was so hilarious because she was so right!!! But seriously, she was an excellent teacher. I wish I could've learned more from her. May God bless her, and all of her family and friends with comfort, peace, and everlasting life in Heaven.

“ So full of life, joy and laughter. Loved Olivia with all her heart, never seen her that she didnt tell me something new she had did or said. The memories of Shane and my boys playing ball and Tami being so proud of those sweet grandbabies or a new horse in the stable she couldnt wait to ride. She was a free spirit that touched lives and brightened hearts of everyone she came in contact with. Rachel you will forever be in hearts and greatly missed.
