“ Dad, you were such a wonderful man with a heart of gold, a great smile, and a cunning sense of humor, and wonderfullygoofy laugh. I feel privileged when I think of how I inherited your love of books, reading, horse racing, and history. I am privileged to have been given the honor of being your daughter. It was an amazing experience to get to experience your beloved, adopted community, meet your incredible tribe of friends who are hurting with your absence as much as your daughters are. You were one of the Good Ones, Dad. I love you and I miss you.
