Her smile told a story, and when she entered a room with that smile you never knew what was next. It is without question she made so many laugh, smile and most of all love.

Randi loved people and never met a stranger. It was not uncommon for a quick trip to Wal-Mart to take an extended amount of time because Randi took the time to talk to everyone she saw. She loved her family dearly. She also loved her animals, most of all her 3 pups Masi, Molli and Jami. Randi loved being outside. She loved helping mom and dad plant the flowers and vegetables. She also loved fishing, hunting, being on the farm, going to the beach, dolphins, rooting for Kevin Harvick, watching movies and playing jokes. She was a prankster. She will be deeply missed by her family and all of the friends that she has met and blessed with her love along the way.
