“ I am Mamie (Mrs. Pop) Duncan's sister and I have known Mr. Hinsley since Martha Nell and I were in 5th grade together.. We became fast friends at that time because Pop & Mamie spend a lot of time w/ the Hinsley family when Mrs. Buena was ill. Martha Nell and I went on to graduate in the same class and still have kept in touch. Saw her last at our 52nd class reunion. Raymond was Pop Duncan's Foreman at General Shoe and then Genesco (when the name changed). Pop Duncan thought very highly of him and I believe that it was mutual. I do not know the younger boys except by reputation, as I no longer live in Lewis Co. but I send condolences to the entire family. I thought very highly of the first Mrs. Hinsley and know from others that the current spouse is also thought of as highly as was she, although I don't know her. I do know that this is a tremendous blow to the entire family and want you all to know that you are in my prayers during this sad time. I can truthfully say that I never heard anyone say anything bad about Raymond Hinsley and that is Rare Indeed. I know that you are all proud of him and rightly so. Martha Nell: give me a call when you get back to Nashville. Anne
