“ Who among us that ever had Ms Dick as our teacher did not love her? She was beautiful inside and out and remained that way until her death,. I will never see daffodils without thinking of her and the poem she taught us. I wish I had told her more often how much of what she taught me remained with me to this day and what an inspiration she was to me. R.I.P. Ms Dick you will be loved, remembered and missed always.

“ *Ms. Dick was a kind and generous friend to my mom, my brother, and myself. Always ready with a smile, a kind word, and thoughtful ways. She was especially a stalwart and thoughtful friend towards my mom who thought so very highly of her and regarded her with great warmth and affection. Ms. Dick won friends wherever she would go and inspired a community around her. She held so many traditions and stories and we are so sorry to see her go.*

“ David & Kathy, my deepest of sympathy to you both and to your Family on the loss of this beautiful, remarkable, classy lady. An icon she certainly is, i have heard about her since i was a little one from my Great Aunts, my Grandparents and of course my Mom. I was lucky enough to know her and feel as though she's Family, remembering when her, my Mom and Ms. Maddox would go off to the Cumberland Playhouse. My love, my sister's love and of course from the bottom of our hearts, my Mom's love is extended to you all, we are so saddened but know she is now with the Angels and no longer in pain. What a remarkable woman, love to you all.

Becky was a remarkably interesting lady with whom I enjoyed working many years at HCHS. She was always “dressed to the nines” and ready to help in any way that she could. In recent years, I was always happy to see her at Garden Club or Retired Teacher meetings. It is appropriate to celebrate a life well lived.

“ She was my English teacher in the 10th grade. Over the years she became a good friend and frequent visitor at Breece’s Cafe. It was always a pleasure to see her with her infectious smile. Jennifer (her granddaughter) worked with us while she was attending high school and became family to us. Will always have a special place in our hearts for this wonderful family. We are so sorry for your loss.

“ My condolences to the family. She was my teacher for both English II & III at the old HCHS building. I will always remember the first day that she walked into the classroom--in her chic black dress, she sat on the corner of her desk, swung her legs back an forth and laid the law down to us! She was one of the motivators for me later becoming an English teacher. In later years, she always remembered me and was always most cordial. May her memories be a blessing to those left behind.

“ I worked for Mrs. Dick as a student clerk for at least 2 years in high school. I love reading books and she would always want to discuss with me what the newest book I had my head stuck in. She was a great lady who had lots of love and energy for her job. Dick family, I am so sorry for the loss of such a lovely person.

*Becky was a very sweet lady. I worked for her on Saturdays helping her clean and doing things around her house when I was a teenager. We had so much fun and I paid for my Senior ring from the money that she gave me to help her. She was an awesome teacher. I would always send her a Christmas card and she would always send me one. I received one from her this past Christmas. I will cherish her memories forever. May God give her family peace and comfort during the difficult time.RIP*
