Fly high Becky....your at peace

Kathy CrabtreeBurns - November 26, 2016 at 06:19 AM

“ My friend my sister.. I have tons of memories of our time together. We was in my room at the trailer court , goofin off like always I picked up my BB gun and was pumping it Becky looked at me and told me not to shoot it cause there might be something in it. Me I shot it and the BB bounced all over my room like a pin ball. We took cover under my blankets and laughed our Butts off. Then she looked at me so seriously and said " You could of shot me in the eye. you know there is a movie about that!" We laughed so hard again.

We always took turns being the reasonable people even when we was up to no good.

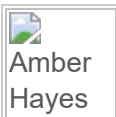

I'm gonna miss her

We was making plans on when I go to Tennessee this spring to come and see her. But she will always be with all of us

Love you
