“ I'm sorry I didn't know of Rene's passing sooner than this. I was sad to read of it. I worked with Rene at a hospital project we were doing in Derry, New Hampshire. He was an Asst. Superintendent at the time. We then worked together at another hospital project in Hobbs, NM. I remember Rene fondly. Since he was from TN and I was from NH, he used to tell me that I didn't have an er on the typewriter, it was an ah! I send my best to Roni and his family. Patty Millsaps Blair
