“ I remember when I was younger I was at my uncle/Ricky's dads house. We ended up having a water fight. And I didn't have a change of clothes. So Ricky gave me a shirt and a pair of jean shorts to wear til my clothes dried. Meanwhile his clothes were huge on me but I wasn't in cold wet clothes. He was a great man and cousin. I will always keep his memory in my heart. R.I.P my dear cousin. I love you Ricky
