

Robby Edward Donaldson

January 8, 1989 - March 1, 2022

Robert “Robby” Edward Donaldson was born on January 8, 1989, in Murfreesboro, Tennessee, and passed away on March 1, 2022. He was 33 years old.

He is survived by his parents Tom Donaldson of Centerville, and Donna Wiley (Ralph) of Cookeville. His loving wife Emily Michelle Rawls Donaldson of Centerville. Daughter Sunnie Rose Donaldson. Son Peyton Burke. Brother Tommy Donaldson (Shelley) and their son Thomas of McEwen. Mother in Law Suzy Rawls (Bob Heath) of Centerville. Father in Law Randy Rawls (Cheryl) of Madison. Along with many other extended family, friends, and loved ones.

Robby worked as a pipe layer for Civil Construction. He worked hard at his job, much of which was spent in trenches digging and laying sewer and other utility lines.

He loved the outdoors, and just being outside. He would raise a garden, and go digging for ginseng. He had a talent for drawing and would share that with his family and friends. Robby had a collection of Nascar cars and a collection of baseball cards that he was proud of. Most recently he had purchased a kit and began making homemade wine.

Robby was a proud dad, and proud to have a family. His daughter, Sunnie

Rose, was the light of his life. He was a thoughtful husband often going out of his way to buy flowers, or prepare a bubble bath for Emily for when she got home from work. He loved his family, and they loved him too. He will be deeply missed by each of them.

“ I grew up living down the street from Robby. He was my best friend for many years. I remember when he moved from Michigan to Hickman County when we were both in 4th grade. We immediately hit it off because our families are both from there. We used to hang out constantly. Daily. He was the only friend I really had for a long time. We hadn't talked in forever, but I'm truly sad to see him go.

“ *From Ryan Maddox, Lacey Wright, and family: Robby was a loving, caring, friendly, funny and wonderful man. In the past couple years, Ryan and Robby became best friends. Robby loved children, and our hearts hurt for his children and family. We are praying for you all. You are missed by so many. Ryan wishes he would have had the chance to tell you "I love you, brother" one last time, because he was like a brother to him. Rest in Peace, until we meet again. </3*

“ *From Ryan Maddox, Lacey Wright, and family: Robby was a very dear friend to our family. He was a very loving, caring, hard-working family man. He meant so much to us, but especially Ryan, as Robby considered him his best friend. He also worked with Ryan full-time at one point, and then just occasionally here recently. Ryan wishes he could have told you he loved you one last time, and you are very missed by us all. Rest in peace Robby.*

“ This is the last picture Robby drew. He drew this LOL doll for my daughter Chippy whom he also loved so very much. He handed it over to her and I with his same sweet silly grin.... Julianna (Chippy) screamed with excitement! Two weeks prior, he had bought his baby girl Sunnie, my children Chippy and Brantley each a brand new stuffed animal when he came to pick up his little Sunnie Rose from my home. (I'm her baby sitter). Robby was very very very giving and went out of his way to make another smile I'll miss his more than anything. I love you Robby. Forever in my heart, Chippys heart, Brantleys heart, and kennys heart. As well as my mamas. 22 years Robby. I've knew you over half my life. I hope you continue to send me signs. We are watching for them. Much love to all Robbys Family and friends. We miss you.
