“ We will miss Bob! He came in the store several times a week. Usually he brought dried apples or jerky and his sweet canine friends would wait in the truck. I have been worried about Mitch and Little Bit. Prince Hardware will surely miss all three of them.

“ *Bill and family,
I will always remember Bob as the best neighbor ever. He shared all the wild critters he rescued with us because he knew I was an animal lover also. He also brought me many messes of good old catfish that he caught and also lots of jams and jellies from his blackberry vines. He definitely had a green thumb as his yard was always filled with beautiful flowers. His pets were also friends of mine. There was Jack (a huge German Shepard, Little Bit (a small terrier) and Mitch (a beautiful white German Shepard.) Most of all Bob was always so good to lend a helping hand anytime we needed him. I loved Bob and he will be missed on Cherry Street!!*

“ Bill, Joy, and the rest of the family.
One of my first outings with Bob - We took Hunter and Andy to a river to try to catch a new record Drum fish. He was writing to TON magazine and wrote about the experience with the young boys. We hooked into these huge Drum and the boys would bring them in. These boys could barely hold onto these \$300 rod & reel, let alone bring in these fish, but they did. What great time. He also took me to catch my first rock fish below Cheatham Dam. My first one, and on a top-water, was 18 lbs. I thought that was huge, until I saw his that weighed 33 lbs. What a fisherman he was.
I also remember the day he had his heart attack and the many days that followed. After work I would go see him in the hospital until he was able to come home.
So many other good memories. Many, many fond memories. Know that we love you all and know you are in our thoughts and prayers.

“ *To Bill and Joy and all the family I am so sorry. I can remember when my aunt passed and Mom asked for Bob to come visit us at the funeral home and he did. We appreciated it so much. We loved Bob as well as Bill and all. Mr. McDonald went to Kentucky to get my Dad, Clement Warren and I knew he was not able. Many things Bill and the family has done for us. If there is anything we can do, please don't hesitate to let us know.*
