“ I can't remember a time in my life when "Uncle" Bobby and my dad were not playing golf together. Bobby always kept things light and funny, my dad a tad more serious. Yet both were very talented and competitive. Bobby refereed my basketball games where I fouled out more than once (no nepotism)...with every whistle he made the call with that little smile on his face.

Later in life I got to coach baseball against him where he taught me a thing or two about how to motivate a team...I never once beat him.

I owe a lot to "Uncle" Bobby and will miss him a lot. He made the difficult look easy and always seemed to enjoy life.

My heart goes out to Faye and Barry and the rest of his family.

“ My condolences to Faye and the family. Bobby and I were close buddies during high school. We tended to get into mischief during school hours. Had a lot of fun. Bobby was a good person, an all-around good athlete in baseball, basketball, football, and golf. I miss him. Howell Hooper
