“ Jimmy & family; I am so sorry to learn of the loss of your dad. I knew your dad & mom from the time I was a child and they were both good Christian folk. I know that this is a very hard time for you and wish that I could come to comfort you; but due to my age and health condition, I am unable to. I will have you & your family in my prayer throught this difficult time. I think that your dad will be happy to reunite with Mrs. Gorgia up there in God's place he has reserved for them; & know that we have that promise to see them again, when our time to leave comes. I don't think I ever went to Church at Flatrock that I did not see your family there, so know how faithful they were. May God fold you in his everlasting arms of faith until it is your time to join with your parents in his beautiful garden. In Christian Love, Anne
