“ Uncle Geth, Thanks for the upbeat conversations and genuine kindness. I will never forget you and Aunt Ruth living across the street from us and being able to visit you all during the 2017 Eclipse and hunting for eyeglasses all around town. You are missed Our hearts are heavy from your loss.

“ *Robert's life was marked by a deep love for Christ, his family and simple joys. He found happiness in playing cards and solving crosswords. He also loved watching westerns, enjoying a great root beer and eating cashews. His laughter was a melody of its own and his piano playing was a joy to hear. Those that knew him well, knew that one of his favorite things in life were wind dried sheets. May his memory be eternal and his love live on in each of us.*

“ *Gethlyn & I attended the same church in Madison, Wisconsin in our teen years. He was a gentle soul and shared my beginning walk with the Lord.*

For some reason Geth gave me the the nickname of “Mitch” & when we connected on FB he continued to call me that thru the years.

I got to meet his wife Ruth & hear about their family a few years ago & I consider that a real blessing. We hadn't seen each other since the '60's & they stopped by my hometown in Illinois.

My sincere sympathies to Ruth & family & his special twin sister Montez.
