“ My Dear Tanonni and Fayth and Family, What a remarkable Labor of Love and Care you have just completed. May we say, "Job Well Done." Praise God from whom all blessings flow. All the staff and care providers here at Hospice Compassus wish to join me in sending our condolences on the loss of your precious Allan. Now that he is in receipt of the promised rest I pray that God will go to work to heal your broken hearts as you travel on a grief journey for a while. You see, He takes us THROUGH the valley of the shadow of death. The reason we can make it is because He is with us each step of the way. Jesus knows and Jesus cares with a perfect love. I will always consider it a blessing to have had that amazing two hour visit with Allan the day we met. Now you all can follow his example and tell the stories of life and love and romance. (1,2,3) That is how one can navigate a grief journey. May the Lord bless you and keep you and may His face shine upon you and may He send that Peace that passes ALL understanding.
