“ My favorite memories of Dad come from my childhood, those special moments held forever in the heart of a little girl. We had an above-ground pool in our back yard (big and round and about 5-foot high) and Dad would stand inside the pool and pick each one of me and my sisters up and toss us gently from one end of it to the other, over and over again. We couldn't WAIT for our Dad to join us in the pool! Inside the house we'd fall down on the floor and wrap our arms around his ankles, then he'd shuffle through the house with us hanging on while we squealed with delight. He laughed a lot and made silly jokes, and he always made us feel like princesses. He and my Mom fell in love with Jesus, and after my Mom passed away he was blessed with a second wife who loves Jesus too. His greatest joy became showing the love and compassion of Christ to others and we will all miss him dearly.

“ *My Grandpa Leech was the most amazing man I've ever known and I know that God must love me in such a special way to have blessed me, being born to his daughter, Diane and to have had the personal friendship I had with him throughout my entire life.*

*My grandfather was a mentor and an example for me growing up of what it means to live for God and was someone you could confide in, joke around with and listen to for hours and never get bored of anything he had to say because he was so down to Earth, witty, honest and had lived such an interesting life both before and after becoming a Christian; Even answering the phone was done so with a cheerful, "Hello, Jesus loves you!" And that is how he lived, exactly-- by showing love to others and by sharing the message of Christ's love for us. He was not a judgmental man and served God with all of his heart.*

*My Grandpa loved to joke around and he didn't leave anyone out or play favorites, either. He even kidded about himself and the girl he had on the side. They took long walks together and he did it right in front of his wife, too! Of course, his "girl on the side," Belle, was his favorite dog and my Grandma Carol, also having a great sense of humor, loved to kid back, asking him if Belle was cooking his dinner that night or if he was going to be eating Purina for dinner with her.*

*I will give joy and thanks always and especially every Thanksgiving time to God for blessing me with my Grandfather and for the time I got to spend knowing him. I consider it a great honor and I'm lucky to have been Bob Leech's grand-daughter and to have had such a special place in his heart. I'll also give thanks to God always for my Grandma Carol, who made him so very happy after my Grandma Claudette passed away for the rest of his life, here on this Earth.*

*Thank you, Grandma Carol, for never leaving his side. You were the reason for his smile and he was ALWAYS smiling. He's saving a spot for us in Heaven.*

“ *BOB LEECH what can I say that would begin to tell you how much you mean to me. I have never met a person that could show the love , compassion, and help you gave to a lot of us and never passed up a chance to make our day's better. Each day I know that you will be watching over us to help guide and still show the love we need. Missing you . DIM and DIMMER (SUE & KAY) is the name you gave us and so it will always be.*
