“ Dear McKnight Family, What a special Family you are and some of this is due to Bud who as the eldest led with the example of a fine person. I always looked up to him. He was good on the inside and, for younger girls like me, a heart throb with his good looks and charm. We all appreciate his service to our country. There aren't enough thank yous nor can we ever show him adequate respect for that. With love, Marilyn

“ Roland, Jerry and family, I am saddened to learn of the passing of Bud. My sincere condolences and prayers to the entire McKnight family and friends. I remember the days of The Mt. Pleasant Bass Busters and fishing with Bud. He was a fine man and friend. I have (2) Largemouth bass over the fireplace mounted by Bud, nice work, he always did quality taxidermy. Every time I look at them, Bud is on my mind, he will not be forgotten, RIP my friend!

“*Roland, Retha, Laura, Jerry et al, I was saddened to learn that Bud had passed away. While I haven't seen him in a number of years, I have always had a special place in my heart for Bud. I worked with him at Monsanto and played baseball with him, back when we played for Red Nichols, He was a great guy. The family has my deepest sympathy.*

“*I hadn't seen Bud in quite sometime but I tell you there hasn't been one memory lost of the deer seasons I spent "down at Bud's." Between the stories and Judy's cooking my life was rich. He achieved legend status during those years. I will always treasure that time in my life. Woody*
