“ Robert lived on one side of Duck River and I lived on the outhur side He did a lot of. Motocross riding I had a little dirt bike. And he had a big dirt bike. Me and Robert and Allen Jones would ride are dirt bikes together?all over that part of Duck river And do a lot of hill climbing on are bikes he was always the big motocross bike rider we looked up to this was back when we where little guys He was always a great guy. He would always make time to take us young guys motorcycle riding in the woods and hill climbing He was a very serious Motocross rider back in the day. On Horseshoe Bend The old road to Coble and only. Was the road that not many people went on. Because it was way out in the middle of the woods and the only farm Country. I think I may have been 12 or 13. He had a great spirit And he done a lot of smiling. And a very happy person. This Was around the time. Before they built Turney Center and when they first built it He was always my friend from the first moment we met That it wouldn't not too long ago. At Kaylee and Cheyenne Awards night
