

Roderick Paul Fountain

March 22, 1969 - May 14, 2022

Mr. Roderick Paul Fountain, born March 22, 1969, in Wichita, Kansas to the late Richard Fountain and Lois (Hultzen) Fountain, passed away at his home on May 14, 2022, at the age of 53.

Mr. Fountain, a truck driver by trade, was headed to Alabama to visit his grandfather, when he happened to drive through Hohenwald, TN. He fell in love with the place and decided it was a place he wanted to live. So in 2001, he moved to Hohenwald, and in 2004 married Mrs. Lisa (Durham) Fountain. He and his wife had a tremendous amount of love for animals, oftentimes offering their assistance and resources and numerous times their own house, to the Lewis County Humane Society. Though the list of dogs that they cared for is long, there was one named "Peanut" who was his favorite. In 2017 he started his own trucking business "High Forest Trucking", and up until Saturday was still the owner and operator of the business.

He is survived by his wife Lisa Fountain, Brother Richard Fountain Jr. (Andrea), Sister Marion Fountain, Niece Amanda Fountain, Nephew Richard Fountain III & Niece Julia Fountain. In addition to his parents, he is preceded in death by a sister Meredith Fountain.

Visitation with the family will be held on Thursday, May 19, beginning at 9:00 AM and continuing until service time at 1:00 PM. Burial will immediately follow in the Beatty Cemetery.

“ Just found out that you passed, Roddy. To say I'm shocked is an understatement. You and I were thick as thieves in our younger days. I was hoping to reconnect at some point in our later lives but here we are. We had some epic moments and you and your family were the best. My heart hurts the your life was cut so short in what is supposed to be our best years. Love you buddy and my thoughts and prayers are with you and yours.

Your brother,

“ Thank you, Rod for the time's we spent together, you always showed a great love for those around you. You were easy to talk with, always had the right advice, gave a reality check when it really matters. You were a hard worker, the projects we did together, the drive and will to complete a job made me feel good you were there. You gave of yourself in life without taking, especially with kids, with five boys around they all thought the world of you. The time they spent with you always started with “will Uncle Rod be there”. I'm thank you, but I also want to apologies for the times I let you down, hurt you, or overlooked how important you were in my life. You had a child's love, a brother's love, and a wife that love you very very much. Love that will miss you and talk about you till our end of time. I am proud to of known you, we are all sad that you had to leave us so soon. In our hearts and in heaven, we all know your right there waiting, listing, and thinking of us and we do the same of you.

Love you, Brother
