“ I'm so glad to have spent my Life with him in school.Rodger was one of a kind.if you needed him call on Rodger he was always there.we had so much fun together in school,especially on the kick ball field.He was a good guy,always had funnies.had a smile that wouldn't stop.If you made him mad,you better run for the hills.People in our class always called him Rodger Dodger.he was a very strong guy.he use to kick the kick ball so hard that it went flying in the air,and everyone told him to go,he looked up with a grin and said gee i'm not worried bout it,they won't get that ball back,literally our P.E teacher had to go back inside to get another ball.Rodger You'll be sadly missed by all of us.
