“ *I have known Ronnie Mash since I was 6 years old. Ronnie was a good guy. His ministry was visiting the shut ins and elderly at the nursing home. He visited Dad during his brief visit there, at home while ill and later visited Mom at home while ill. I would always stop and talk to him at church on the back pew where he visited with everyone. We talked about life, death and living in general. I remember talking about the time my Dad had a heart attack and Dad had told me it would have been an easy way to go as after a few minutes you lose awareness. Ronnie and I both decided we did not want to be in a nursing home, but after all he had done for so many I said “Ronnie, if you end up in the nursing home, I’ll come visit you”! He said “You mean that”? I said “Of course I do”!! I didn’t get to keep my promise. I am sorry he is gone, but I am happy he didn’t linger. God needed you, Ronnie, Godspeed, dear fiend!*

“ *Ronnie, I met at church and for many years waited on him at The General Cafe. He was always fun to talk to. He liked to pick at you, I remember one time he was wanting something at the restaurant and he started whistling for me...lol. I told him my name is Karen, not a dog. We laughed so hard. He would pick at my girls when they were little. He was a good friend and will be missed. Look forward to seeing him again, when we meet up younder. My love and prayers to his family.*
