My husband and I met Ronnie during construction days at the GM/Spring Hill (Saturn) Plant. He was such a nice man and friend to all he worked with. As a matter of fact, our first date was an invitation from Ronnie to go watch him race his 711 at the race track in Hohenwald. He was a man who when he made a statement, you could count on him. We will always have fond memories and would like to send our thoughts and prayers to his family.
