“ Mrs. Rosemary was a kind and sweet soul. Always a smile and first to offer prayer, cards and joy on any occasion. I am ill and cannot attend service but my prayers will be with her family and friends.

“ There's a hole in the universe as well as in our hearts. Rosie was my friend/sister for 58 years (along with my precious Adelle) and she was, and will continue to be, well loved. Her kindness and sweetness and love of the Lord made her so truly unique. Love to all who loved her.

“ I first met Rosemary when I was 18 yrs old. Gina and I went to high school together and became best of friends. Rosemary became a part of my life then, and was a part of my children's lives. She met my grand daughter for the first time this past Christmas and fell in love with her. Rosemary had a wonderful carding heart and will be missed by all who knew her. We love you grandma Rosemary with all our hearts. Give papa bird a big kiss and hug for us. Til we meet again.
