“ I remember meeting Roy on a Sunday night at Redland Valley BIC Church where he was invited to share about the Christian Retreat Center, he was the very first Director at CRC. I worked under Roy for 2 years doing summer programs for him. Roy was so full of life, energetic, and a joy to be around. I was fortunate to become the Director of CRC in 1988, in 1993 of 1994 I asked Roy to come for the summer to help with a new program. I have such fond memories of our time together. During that summer he spent much of his evening time on the phone talking to Maureen, who he eventually married. I remember both of them stopping here several years ago, it was good to catch up with them. Roy will always live on in my heart, he was a wonderful man, full of vision and purpose for his Lord. My deepest sympathies go out to the family as you mourn his loss.
