“ *One day while driving down a country road listening loudly to our favorite Italian song, Kenny told me to pull the car over. He got out, came around to my side, opened the door and extended his hand for me to step out. He grabbed a hold of me and led me a a beautiful dance for the entire song. Yes, a car went by as we danced, but we hardly noticed! I love and miss him so much, but I know without a doubt that we will be together again! Marie Petty*
