“ *Such a good hearted person she was good about checking on others even when she was down. Her kindness sure showed, and a sweet smile to go with it.*

“ Ruby was my babysitter when I was a kid. I always looked forward to the beans potatoes kraut and cornbread she would fix every saturday. Some time ago Mary and I fixed a big pan of fish and fixings for her when she was in the nursing home. She asked everyone around to share. I was afraid she wouldn't get any herself. She was that type of person. My life was much richer from knowing her and her family. We will miss you Ruby.

Jessica, I will always remember visiting Ruby and you when I was younger. My mother and Ruby were first cousins. I always made a point of stopping by whenever I was in town. My deepest condolences to your family at this time. Love to all.
