“ I also remember the great job that Batten & Ruby did as park attendants at Corps of Engineers campgrounds. Thanks to them for serving the public so well so people could connect with family, friends, and God in the splendor of nature. My condolences to all the family - she was a top notch person and I'm grateful I knew her.

“ Dear Springer Family:

I am sorry to hear of Ruby's passing. She was a special lady to me and many people. Ruby and Batton were great Park Attendants at Cheatham and other lakes. We had a lot of good laughs and grins. She was always cooking Cabbage because she knew I would drop by, homemade ice cream and your family famous Christmas tradition that matched my family tradition in Arkansas (Chocolate and Biscuits). I have not seen them in sometime, but think of them often. Please let me know if you need anything. Your family is special to me. I grin when I think about Batton laughing and we had a lot of those. The attached photo was taken about 1994 I think. I keep it at my office for good memories.

As Always,
