“ During summer vacation while in some of my high school and college years, I worked with Mrs. Gill at the Hickman County Hospital. She was an excellent, caring nurse and a patient mentor. She and Dr. Parker Elrod were a great surgical team, and I was honored to get to "scrub in" and witness them in action. They were both wonderful teachers and took the time to foster my aspirations in the field of medicine. Ruth was a beautiful lady inside and out, and she made a difference in my life.
