“ Sadie Veach was one the best friends I ever had. She was so kind and giving. We were neighbors, friends and we also went to church together. If Sadie needed anything I was there for her. If me or my family anything she was there always. I will miss her so much. I will miss her coming to see me and I will going to see her. Our church family will miss her so much. She was always doing for the kids at Christmas and at our dinners. My best friend is gone. She will always be in my heart.

“ *Ms. Sadie will always be remembered as the church Grandma. She loved those kids and they loved her. When we first started attending Old Paths Bible Baptist Church she had gotten little things for the children and still today my daughter carries her unicorn around that Ms. Sadie gave her. She made an impact on everyone and will be dearly remembered.*
