“ *Samantha, we have known each other since Pre-School.. I had been a pleasure knowing you, working with you, and being a great friend. We have so many memories together; I remember VERY vividly getting my first kiss from you in Pre-School; you told me not to tell anyone. We both went very different paths as for as that is concerned. :)*

It's an honor having you as someone that I call a friend.. Rest in Peace Sam.

“ Samantha and i knew each other for over a decade. We were the constant in each other's lives. We recently got back together and it was the greatest honor of my life. She was an amazing person, she was an angel sent from heaven. She was a wonderful mother to a wonderful young man. Samantha knowing you, getting to share a life with you was the greatest honor of my life. You and jordan were my whole world. I promise to always look after janet and jordan. I promise to fly your flag high and carry you in my heart for the rest of my life. I love you for always and forever. Until we meet again.

“ *Sam was a very kind hearted and loving person. I had the pleasure of working with her for a few years. We had deep conversations and real respect for each other. She loved her family and was a devoted Mother to Jordan. She had a beautiful smile and loved make-up! We will miss you Sam and hope to see you again one day soon. Rest well for now.
