“ I'll always remember all the times when we'd get together and play music. Butch, Keith and Jimbo mostly just sitting outside picking and before you knew it, there was a big crowd that showed up. We would say that we were the back up singers and sing every song that Butch did. I loved hearing the harmonies and Janie loved to sing. Sometimes they would be so awesome that my skin would tingle! I love you Janie! I hope you and my brother and mother are singing sweet songs in Heaven and I hope that my daddy is playing his fiddle right beside yall. Rest in peace. Heaven has gained another angel.
