“ To the entire Peery Family; especially to Jerry & Barbara, who are probably the only ones who will remember me... I send my warmest condolences on the loss of your mother. From the first time I saw Mrs. Sarah, when I was probably a pre-teen, I have always thought that she was one of the most beautiful women that I have ever known... She is still a beauty in this photo. She had such a sweet smile and her personality was just as sweet. She was a little reserved when you first met her, but was a wonderful person. I know that all you offspring feel blessed to have had such a good mother & grandmother. i wasn't around her much after they moved from the 'Creek' to Hohenwald, but never heard her raise her voice to anyone and never heard anyone say anything negative about her. That is a legacy to be proud of. I will be keeping your family in my prayers through this trying time. and hope that each of you will hold your memories of her close..as they will be a comfort to you in the days ahead and throught your lifetime. May God Bless each of you, and all of you as a Family. In Christian Love, Anne W. Archer
