“ *I have so many memories of Alice most are around how Alice was the kindest lady I ever met she never changed My other memories were of her home cooking abilities. If it was food or if it was sweets Alice could not be beat. It didn't matter what time of day you walked into her house she always tried to feed you. She was a true southern lady that will be missed Heaven gained another angel and the family is going to miss her Love ya Alice my heart is broken but I have the memories You will be missed at the family reunions*
