“ For two years everything important that I have done has involved my Sis right by my side we had plans of being two old Biddies rocking side by side they Golden Girls you might say according to Rachel I am shocked and saddened that will not be the case I can not tell anyone how my heart is hurting at the moment but Shana would not want us to be sad actually she would want us to rejoice that she is with her Father so I will Praise our God and Thank him for the time she was here with us and look forward to the day that I see her again!

“ My best memory of Shana was in October of this year. We spent time walking in the woods and enjoying all the beauty of nature that God gives us. She comforted me with scripture and thoughtful phone calls during the time of my Mom's sickness. I loved her.

*Please know my prayers are with you all during this time and in the days ahead.*

*2 Corinthians 1:3-4 "Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God."*

“ Our deepest sympathy to Mike and Darlene at the loss of there oldest child, Shana. Can't imagine what a loss you feel. Shana was a beautiful little girl when she lived down the road from us so many years ago - she was equally as beautiful in her thirties. Our thoughts and prayers are with all the family during these difficult days, weeks and months ahead. May God comfort you all as only He can.

“ You are going to be missed beyond measure my sweet girl ❤️ I will always think of you every time I am fishing or reading the bible. I use to love hearing you read scriptures to me over breakfast before work. We had so, so many adventures and not a single day will pass without me remembering you. Your sweet voice and loving soul were truly one of a kind. R. I. P. honey 💕
