“ Most of the time when God calls one of his children home we look at it as a lose for ourselves. But in a time like this when we have such a beautiful soul to watch over us we can look at it as a gain, because we have a wonderful guardian angel now. You were loved by so many Shauna and will continue to shine through the skies like you have always shined in our eyes. We love you sweet girl and will most certainly never forget you.

“ Such a special young lady that has left us way too soon. Remember the first time she waited on Cindy and me. Didn't take her long to figure out my sense of humor. Don't think that I ever saw her without a beautiful smile on that lovely face. She reminded me so much of Gracie Allen. We will miss her.
