“ My sister, Shelia, left us entirely too soon. She is with the Lord now watching over her loved ones. Let us all honor her memory and follow her example of being kind, never judging others, forgiving others, and most of all never tearing down others. I love you, Sissy!

I cannot believe my sister and best friend has left us. Though she is in a much better place, I am still finding her death unacceptable. Shelia was a ray of sunshine to all who knew her. In fact. "You are my Sunshine" was her choice of lullabies sung to her by my Mom. My favorite memory of her was watching her dive perfectly off the high dive at the Centerville Swimming Pool.

Shelia, you will always be in my heart. Of course, it is broken now. According to Ernest Hemingway "...through the broken parts is how the light comes through..." Still missing you so very much, my beloved sissy!
